

## Commencement of Practice at Hermitage Medical Clinic of Mr. Paul Sullivan, Consultant Plastic and Reconstructive Surgeon

Mr. Paul Sullivan graduated with honours in Medicine from UCD (2002). He was then selected for the RCSI Surgical Training Program from 2005- 2007. Paul spent the next two years undertaking and being awarded an MD (Doctor of Medicine) research degree from NUI, Galway (2008) whilst gaining experience in clinical plastic surgery. He was then selected for the RCSI plastic surgery residency program followed by the RCSI Certificate of Completion of Specialist Training which was completed in 2014 with awarding of an FRCSI (Plast) and CCST ( Certificate of Completion of Specialist Training).

In 2014 Mr. Sullivan began fellowship training in Hand Surgery in the world renowned St Andrews Centre , Chelmsford, UK for a year followed by a second year in Ortho-plastic Hand Surgery in Middlemore Hospital, Auckland, NZ.

In 2016 he successfully completed the FEBHS (Fellow European Board of Hand Surgery) exam in Santander, Spain and joined the specialist register of the Irish Medical Council. That summer Mr. Sullivan returned to Ireland and was appointed as a consultant in Plastic and Reconstructive Surgery in Beaumont and Connolly Hospital with a specialist interest in hand and upper limb pathology and trauma as well as complex skin cancer and general reconstruction. Mr. Sullivan is a member of the Irish Association of Plastic Surgeons (IAPS), the Irish Hand Surgery Society (IHSS) and RCSI Director of Core Training in Beaumont Hospital.
